I request the Company Secretary to read the Statutory Auditors Report, & Comments of C&AG, Directors Report & Secretarial Audit Report.

Sri Sachin Jayaswal, Company Secretary

In line with the provisions of the companies Act, 2013 only the qualifications, observations, comments or matters of auditors on financial statements which have any adverse effect on the functioning of the company are matters required to be specifically read out in the meeting of the shareholders. The Statutory Auditors report on the financial statements for the financial year ended March 31, 2024, does not contain any such qualifications, observations or adverse remarks. Accordingly, the said report is not required to be read at this meeting and be taken as read. The comments from C&AG for the FY 2023-24 is included in the Board report as Annexure III at Page 37 - 38 of the Annual Report and is given below:

“The Company had contractual disputes with Punj Llyod Ltd (PLL) pertaining to the main pipeline laying contract. Both the parties went into arbitration and the case was settled in favour of PLL. However, further appeals were made by the Company in City Civil Court, Bangalore and High Court of Karnataka, Bangalore against the orders of Arbitrator and the City Civil Court, Bangalore respectively. Later, PLL applied and requested (October 2023) for settlement of disputes under Vivad se Vishwas 'scheme II issued by Ministry of Finance. Under the scheme, the Company worked out liability of Rs. 33.12 crore to PLL as on 31 March 2024. The Board of Directors of the Company approved (27.03.2024) to accept the settlement by offering Rs. 33.12 crore (including interest) as full and final settlement with respect to the instant contract under the above-mentioned scheme. Thus, the worked-out liability as per PMHBL was a clear liability and a provision for the same should have been made in the financial statements as on 31 March 2024. However, the Company has not provisioned for the same and disclosed the same as contingent liability”.

This has resulted in understatement of Provisions (liability) for the year by Rs.33.12 crore. Further, interest expense and fixed assets are understated by Rs.18.36 crore and 14.76 crore respectively. Consequently, this has resulted in overstatement of Profit by Rs. 18.36 crore.”

Similarly, the qualifications, observations or comments or other remarks if any, mentioned in the Secretarial Audit Report issued by the company secretary in practice, which have any material adverse effect on the functioning of the company shall be read at the Annual General Meeting and attention of members present shall be drawn to the explanations/ comments given by the board of directors in their report. The Secretarial Audit Report for the financial year ended March 31, 2024, issued by Sri S. Viswanathan does not contain any such qualifications, observations or adverse remarks. Accordingly, the said report is not required to be read at this meeting and be taken as read. The Director's report is already circulated along with the Annual report and with permission of members, the same is also taken as read.
